About Our Company

MUHOYA-TETU is a wholly indigenous Kenyan company established in 2019; it is involved in hiring out and servicing road construction machinery, such as graders, Excavators and Tippers.

Since inception, we have been involved in projects of varying magnitude, type and complexities, which we have handled to the satisfaction of our clients and partners. We utilize only top-of-the-range inputs for our installations to ensure that our clients get value for their investment and the product that will stand the test of time.
